March and April 2024 Prayer Letter

Dear Friends and Supporters,

The month of March was very busy for us in terms of meetings. We traveled thousands of miles all across the South. We started the month in Texas for a missions conference. We then moved on to meetings in Louisiana, Georgia, Alabama, and then Texas again. We added an extra meeting in Arizona to end the month of March. We were so blessed by all of the churches we were in and all the things we got to experience while on the road. It is wonderful to homeschool the kids and take them to see historic sites in the areas we visit. As someone who loves history, my desire is that it will spark a love of history in our children, and I think it is. They enjoy visiting these types of places while we travel. Our daughters Gloria and Hannah celebrated birthdays in the month of March, and Holly and I celebrated our 11th wedding anniversary.

We are continuing to add more supporting churches. Two more churches voted to take us on for support over the last two months. We are inching ever closer to having our full support, which we will need every dollar we can get as prices continue to rise in California, especially gas and groceries. PLEASE PRAY for more and more churches to take us on for support so that we may reach 100% of our support and get the work started. We are chomping at the bit to open the doors of our church plant, but as always, we need to learn to wait on the Lord.

As I mentioned in our previous prayer letter, we have been witnessing to our neighbor Alfonso and praying that he would be saved. I was able to take him out for lunch and we have met for coffee several times. Our discussions have been great and very friendly. In talking with him more in depth, I learned that he believes in reincarnation, and that he bases his beliefs about spiritual matters on his own experiences. Obviously he is basing his beliefs on a very faulty foundation. I gave him a Bible and a few things to read about what the Bible says regarding reincarnation. He was very thankful for both, and he even gave me a gift: a new wallet. At our next meeting we will start a Bible study in the book of John, specifically chapter 3. PLEASE continue to PRAY for Alfonso to be saved. His eyes are very blinded to the truth that there is only one way to heaven, and that Jesus Christ is the only way. PLEASE PRAY for me to have wisdom and compassion as I continue to meet with him and give him the gospel. Our relationship is continuing to grow as neighbors and friends, and that's just how it's done: one by one.

In the service of the Lord Jesus Christ,
